A note from our Council President

2020 has been an interesting year. We started the year with a delay in the Annual Meeting due to a snowstorm which forced cancellation of church service. We were able to reschedule to the following week and did have a productive meeting. This event resulted in an improved system to contact people in the event emergency closures.

We scheduled a "summer picnic " in March which was a fun time and helped us through the winter blues. Unfortunately, we were impacted by COVID-19, which resulted in the closure of in-person worship services. Thanks to Eric, Chris, Pastor Laurie and many others we were able to have on-line services. The church did reopen in the fall for in-person worship. The council has worked hard to develop a safety plan to reopen our church, which included 6' social distancing, reduced capacity, mask wearing and open windows to improve ventilation. Hymnals and bulletins were also removed. St. Paul's has been able to remain open; we have had no cases of church related COVID infections. We have been able to continue with individual communion, confirmation and acceptance of new members while following safety guidelines.

St. Paul's is blessed to continue with music thanks to Arlene and Edie; they have graced our services with their beautiful music. The bell choir has been able to perform taped music which has added to the service. Our screen use has improved and continues to be updated to provide enhanced components to our service.

We did lose a few precious members this past year; also fortunate to welcome confirmands and new members. We are blessed with all our faithful people who have continued to support St. Paul's.

My deepest thanks to the council for their continued work, especially in this trying year. Their determination and faith will help St. Paul's as we continue to move into 2021.

Marie Lowe
Council President

2020 PASTOR'S REPORT

Every generous act of giving, with every perfect gift, is from above, coming down from God. In fulfillment of God's own purpose, God gave us birth by the word of truth, so that we would become a kind of first fruits. -James 1:17-18

To be a cheerful giver, we must first acknowledge the blessings we have been given. The word 'gift' appears in the Bible starting with the first book, Genesis. It continues to appear through Revelation, the last book of our Holy Scriptures. Most of the instances refer to the gifts we give to others- and those we bring to God.

Regular corporate worship is a gift we give ourselves and our church family. This year we learned, and are continuing to learn, how to do this virtually. As your pastor, I prepared 47 sermon messages and 47 Children's Chats. I officiated at 1 baptism and 7 funerals. We accepted 1 new member and confirmed 5 of our youth. During worship, we blessed church leaders, installed Sunday School teachers, and honored our graduates. Our children blessed their backpacks as well as the SouperBowl and UNICEF donations. We remembered those who have passed on during the year. I participated in both the Bell and Chancel Choirs.

In other ministry, I supported two weekly Bible Studies. I met with our Confirmands an additional 17 times. After 1 Lenten Lunch, we cancelled most Church in Attica ministries due to the pandemic. The CROP Walk was held virtually. I continue to serve as Treasurer for this group. I met 22 times with the 3 and 4-year-old Pre-School class to talk about faith and helping others. I wrote 11 Newsletter articles. The Pastor's Discretionary Fund helped 2 people. We also helped 1 family with clothing.

I enjoyed 122 visits including shut-in, hospital, office, Communion and home visits. I attended 178 meetings including Christian Education, Pastoral Relations, Deacon, and Council meetings. We raised funds for our Youth Mission Group. I joined in Sisters in Faith activities. I checked-in with members/friends of the congregation and sent out inspirational/informational e-mails to pass on ever-changing details. I also continued my ministry of presence at community events, when possible.

The Western Association requires 75 hours of continuing education every three years. Towards that requirement, I read 4 books and completed another 70.5 hours, including 2 on-line courses by the New York Conference: *Pastoral Care in a Time of Pandemic* and *Race Talk and the Conspiracy of Silence*. I logged into 10 Webinars dealing specifically with on-line worship and another 24 on various topics. I completed Sexual Harassment Prevention Training for Church Employees, participated in the Spring NYSOM Learning Event, and monitored the Ministry of Word & Sacrament Program in the Spring session. I belong to a Community of Practice Group.

I represented you at 1 virtual Western New York Area Churches in Covenant meeting. Northtown Clergy met virtually. I serve on Western Association's Committee on Ministry and act as their Treasurer. I mentor a NYSOM student with whom I meet every other month.

I pray that St. Paul's UCC will continue to be transformed, as we use the gifts that God has given us to reach out to our community and each other, offering our first fruits to the One who was, is and is to come. May the peace of God continue to challenge us.

Godspeed,
The Rev. Lauran Heidenreich

St. Paul's Pre-school report

January through mid-March was a pretty normal school schedule.

Then we had our "pause."

We handed out work packets for the 2nd half of March along with one for April & one for May.

We were unable to do our end of year field trips. We were also unable to have the 3's closing program of the 4's graduation program with a small celebration.

Starting our fall programs had it's own hurdles.

We had to cut back on students due to occupancy capacity. We are now operating with two teachers with 13 students in the big room. Parents are not allowed into the building. Students wear masks except at tables (only 2 chairs per table for distancing) when working with a teacher or snack time. Teachers have masks except for snack time.

We did have a fire drill but no visit to the firehall. We also didn't have a Christmas program. We are still learning and enjoying each day. They look forward to seeing their friends each day. We stay in our rooms all cozy and safe, hopefully.

Respectfully Submitted,
Deb Bender, Director

Total Other Expenses: \$13,337.03

Income (\$13,555.00) - Expenses (\$17,833.64) = - \$4278.64

Bank balance as of 12/04/2020 = \$4,268.35

Tuition was collected through March 2020. We did not charge for April and May while NYS was on pause order. We handed out work packets and accepted donations (total donations collected in April and May were \$1,000 - included in total tuition above. Three parents requested refunds for April and May, totaling \$540. Due to having a lot of money in the pre-school account at the time and pre-school able to afford the cost, I made the executive decision to continue to pay the teachers their normal pay during closure. This accounts for the negative amount based on income versus expenses for 2020. (The bank balance at the beginning of March 2020 was \$7533.97).

We currently have 9 students in the three year old program and 4 students in the four year old program paying \$90/month. We are paying 1 teacher and 1 aide (being split between 2 people sharing the responsibilities, Deb Bender and Kerri James). Deb Bender has mentioned she plans to retire after this year. We will need to look for a replacement as director and teacher, we will defer to Christian Education to make that hiring decision.
