

DUNKIRK CAMP & CONFERENCE CENTER

3602 EAST LAKE ROAD ~ DUNKIRK, NY 14048 ~ PHONE (716) 366-1900

April 2020

Dear Campers, Parents and Friends

As Spring arrives our thoughts should be turning to our camping season at the Dunkirk Camp and Conference Center. This year the Covid19 virus is causing the closing of workplaces, sporting events, and church services. The elimination of all social gatherings has taken a toll on each of us.

Currently, all our 2020 summer programs at DCC are still on!

We will not cancel until it gets closer to camp and in accordance with CDC and Government recommendations and regulations.

Because we are in such uncertain times, we are changing a few policies to give you more comfort in making your camping plans/reservations.

- If our programs must be canceled or moved, you will have the opportunity for a full refund (including deposit)
- Our Early Bird discount will be extended from April 15th to May 15th
- In the event you need to cancel due to illness you will receive a full refund (including deposit)

Please register for camp today at www.dunkirkcc.com

We are working on updating our registration process as well as enhancing our cleaning and sanitation procedures for campers and staff. The American Camping Association has been very helpful in providing guidelines as we develop the necessary protocol. We will do everything possible to keep our campers and staff safe and healthy this summer.

The Board of Trustees will meet regularly this spring to monitor the current healthcare environment. When the CDC and NYS relax the current regulations, we will confirm and communicate our summer plans. We hope for a quick return to normalcy so we can make that decision by the end of May.

We hope that fond memories of warm summer days spent with friends and family on the shores of Lake Erie keep your spirits aloft as we contend with the current challenges. Our hopes remain that this will pass, and we can gather at DCC before we know it.

Please contact your camp directors, Anne Wilmot or any member of our Board of Trustees if you have other questions. We will keep in touch through your camp directors, Facebook and our web site as well as email follow ups.

Stay Healthy and hope to see you at camp!
